PREScribed FORM FOR RETURN OF VOTES CAST AT A MUNICIPAL ELECTION
(C.G.S. §9-314(b))

The moderator shall make a preliminary list of the votes cast at such municipal election, as reported solely by the tabulator and shall immediately transmit such preliminary list to the Secretary of the State not later than midnight on election day. Once the preliminary list has been transmitted, the moderator shall make a duplicate list of the votes given for each municipal office elected. The moderator shall transmit such duplicate list to the Secretary of the State by electronic means not later than forty-eight hours after the close of the polls on election day. The moderator shall also seal and deliver one of such duplicate lists to the Secretary of the State not later than the third day after the election. The moderator shall also deliver one of such duplicate lists to the clerk of such town. Use additional pages if necessary.

I hereby certify that the absentee ballot vote, including "overseas ballots" set forth in this Return for each candidate and for and against each question is correct and that the following numbers are true and accurate according to the worksheets signed by the absentee ballot counters.

CERTIFICATE FOR THE CLOSING OF THE POLLS

We, the undersigned Election Officials certify that after the polls were closed, the voting tabulator was closed and secured against further voting in accordance with the closing procedures in the Moderator's Handbook, Appendix D.

We further certify that the memory card seal on the front of the tabulator had not been broken.

We further certify that the Moderator fed all remaining ballots that were eligible to be counted by tabulator into the tabulator for processing.

We further certify that the tabulator thereupon produced an "Election Results Report" setting forth: the town, voting district, election date and vote totals for each candidate and question on the ballot.

We further certify that any ballots which could not be processed by the tabulator and any ballots containing write-in votes were hand counted by two election officials from different parties.

We further certify that the number on the public counter after all ballots that could be fed into the tabulator were processed, the number on the seals applied to the ballot transfer case(s) and tabulator carrying case(s), and the number of absentee and election day registration ballots (if counted at this location) which were tabulator processed in whole or in part are as recorded below.

Once all votes for each candidate and question have been counted either by tabulator or by hand all vote totals were recorded on the tally sheet and all final vote totals for each candidate and question were announced by the Moderator to all those present.
